The main navigation menu on the left includes: County Information, Occurrence Information, Violations - Citations, Claimant, Witness, Remarks (which is the active tab), and Summary. The 'Remarks' section features a large text input area with a 'Remarks' label. Above and below this input area are buttons for 'Back', 'Cancel', and 'Save'. A 'XIP GL Custom Questionnaire' link is visible at the top right of the main content area. The footer contains copyright information for MountainView Software, dated 2004-2018, and build details for version CZR_20170919.
